

DPMI[®]
VOCATIONAL INSTITUTE
"Come Reach the Skies with us"

DIPLOMA IN MEDICAL LABORATORY TECHNOLOGY (DMLT)

Empowering Future Lab Technologists

Duration: 2 Years | Eligibility: 10+2

Why Choose DMLT at DPMI?

Industry-Ready Training – Hands-on experience in Clinical Pathology, Microbiology, Histopathology, Biochemistry & Hematology

Expert Faculty – Learn from experienced professionals & doctors

Modern Labs – State-of-the-art infrastructure with advanced equipment

100% Placement Assistance – Tie-ups with top hospitals & diagnostic centers

Affordable Fee Structure – Quality education at competitive prices

Curriculum

- Anatomy & Physiology
- Hematology & Blood Banking
- Clinical Pathology
- Microbiology
- Biochemistry
- Lab Safety & Quality Management
- Histopathology

Why DPMI?

- NABH/JCI Accredited Partner Hospitals for practical training.
- Scholarships for meritorious students.
- Flexible Batch Timings (Regular/Weekend)

Career Opportunities

- Medical Lab Technician
- Pathology Lab Assistant
- Research Assistant
- Diagnostic Center Manager
- Pharmaceutical Lab Technician

Campus

Delhi : B-20 New Ashok Nagar Near Rapid Rail station Delhi-110096
Greater Noida : 129-130, Knowledge Park V, Greater Noida, U.P - 201310

DPMI[®]
VOCATIONAL INSTITUTE
"Come Reach the Skies with us"

BACHELOR OF MEDICAL LABORATORY TECHNOLOGY (BMLT)

Shaping the Future of Diagnostic Science

Duration: 3 Years | Eligibility: 10+2 (PCB/PCM)

Why Choose BMLT at DPMI?

Globally Recognized Program – Industry-aligned curriculum with advanced diagnostic training

Expert Faculty – Learn from pathologists, microbiologists and senior lab technologists

Modern Labs – State-of-the-art infrastructure with advanced equipment

High-Tech Labs – Fully equipped with modern analyzers and hematology workstations

100% Placement Support – Tie-ups with Apollo, Max, AIIMS and leading diagnostic chains

Internship & Research Opportunities – Hands-on training at NABL-accredited labs

Key Subjects Covered

- Anatomy & Physiology
- Clinical Pathology & Cytology
- Medical Microbiology & Virology
- Biochemistry & Molecular Diagnostics
- Hematology & Blood Bank
- Histotechnology & Lab Management
- Immunology & Serology
- Quality Management

Why DPMI?

- NABH/JCI Accredited Partner Hospitals for practical training
- Scholarships for meritorious students
- Flexible Batch Timings (Regular/Weekend)

Career Opportunities

- Senior Lab Technologist
- Pathology Lab Manager
- Quality Control Officer (Hospitals/Labs)
- Public Health Specialist

Campus

Delhi : B-20 New Ashok Nagar Near Rapid Rail station Delhi-110096
Greater Noida : 129-130, Knowledge Park V, Greater Noida, U.P - 201310

DPMI[®]
VOCATIONAL INSTITUTE
"Come Reach the Skies with us"

DIPLOMA IN RADIOLOGY & IMAGING TECHNOLOGY (DRIT)

Become a Skilled Radiology Technologist – Shape the Future of Diagnostic Imaging!

Duration: 2 Years | Eligibility: 10+2

Why Choose DRIT at DPMI?

Hands-on Training – Skilled in X-ray, CT, MRI, Ultrasound & advanced imaging techniques

Industry-Experienced Faculty – Learn from industrial experts & senior teachers

State-of-the-Art Labs – Modern equipment, simulation training & live hospital exposure

100% Placement Assistance – Tie-ups with Apollo, Fortis, AIIMS & top diagnostic chains

Affordable Fees + Scholarships – Quality education with financial support

Key Learning Areas

- Radiographic Techniques & Positioning
- CT & MRI Scanning Procedures
- Ultrasound & Sonography Basics
- Radiation Safety & Patient Care
- Image Processing

Career Opportunities

- Radiology Technologist
- MRI/CT Scan Technician
- Ultrasound Technician
- X-Ray Technician (Hospitals/Clinics)
- Radiology Assistant (Research & Labs)

Why DPMI?

- NABH Accredited Hospital Tie-ups for real-world training.
- Workshops by Industry Leaders .
- Internship in Top Diagnostic Centers – Build experience before graduation.
- Flexible Batch Timings (Morning/Afternoon/Weekend batches).

Campus

Delhi : B-20 New Ashok Nagar Near Rapid Rail station Delhi-110096
Greater Noida : 129-130, Knowledge Park V, Greater Noida, U.P – 201310

VOCATIONAL INSTITUTE
"Come Reach the Skies with us"

BACHELOR OF RADIOLOGY & IMAGING TECHNOLOGY (BRIT)

Precision in Imaging, Excellence in Healthcare

Duration: 3 Years | Eligibility: 10+2 (PCB/PCM)

Why Choose B.RIT at DPMI?

- Comprehensive 3-Year Degree Program with 6 months clinical internship
- Learn Advanced Imaging Modalities – X-Ray, CT, MRI, Ultrasound, Mammography
- Industry-Aligned Curriculum designed by leading radiologists
- Hands-on Training in partner hospitals with the latest equipment
- 100% Placement Assistance in renowned hospitals & diagnostic chains

Cutting-Edge Specialization

- Digital Radiography & Fluoroscopy
- Computed Tomography (CT) Technology
- Magnetic Resonance Imaging (MRI)
- Ultrasound & Sonography Techniques
- Radiation Physics & Safety Protocols

Why DPMI?

- NABH Accredited Hospital Partnerships
- Dedicated Imaging Labs with latest equipment
- Expert Faculties
- Scholarships for meritorious students

Career Pathways

- Senior Radiology Technologist
- CT/MRI Specialist
- Ultrasound Technician
- Radiology Department Supervisor

Campus

Delhi : B-20 New Ashok Nagar Near Rapid Rail station Delhi-110096
Greater Noida : 129-130, Knowledge Park V, Greater Noida, U.P – 201310

DPMI[®]

DIPLOMA IN OPERATION THEATRE TECHNOLOGY (DOTT)

Mastering the Heart of Surgical Care

Duration: 2 Years | Eligibility: 10+2

Why Choose DOTT at DPMI?

12-Month Intensive Training + 6-Month Hospital Internship

Hands-on Experience in real operation theatres

Learn from well qualified and experienced faculties

100% Placement Support in top hospitals

Affordable Fees with scholarship options

Core Skills You'll Master

- Operation Theatre Preparation & Sterilization
- Surgical Instrument Handling & Maintenance
- Anaesthesia Assistance Techniques
- Patient Monitoring & Emergency Protocols
- Infection Control & Bio-Waste Management
- CPR training
- Medical Equipment Handling

Why DPMI?

- Training at NABH Accredited Hospitals
- Modern Simulation Lab with OT setup
- Industry Expert Guest Lectures
- Free Workshop on Advanced Equipment

Career Opportunities

- Operation Theatre Technician
- Surgical Assistant
- Anaesthesia Technician
- ICU Technician
- Hospital Sterilization Supervisor
- CSSD Technician, SICU Technician

Campus

Delhi : B-20 New Ashok Nagar Near Rapid Rail station Delhi-110096
Greater Noida : 129-130, Knowledge Park V, Greater Noida, U.P - 201310

VOCATIONAL INSTITUTE
"Come Reach the Skies with us"

Emergency Medical Technician (EMT)

Your First Step Toward Saving Lives!

Duration: 2 Years | Eligibility: 10+2

Why Choose EMT at DPMI?

Industry-Recognized Certification – Get certified to work in emergency medical services

Hands-On Training – Learn through real-world simulations and ambulance ride-alongs

Expert Instructors – Train under experienced EMTs and medical professionals

Fast-Track Career – Complete the program in just 6 months and start working

High Demand – EMTs are needed in hospitals, ambulances, disaster response and more

What you'll Learn

- Basic Life Support (BLS) & CPR
- Trauma & Medical Emergency Response
- Patient Assessment & Stabilization
- Ambulance Operations & Equipment Handling
- Legal & Ethical Aspects of Emergency Care

Career Opportunities

- Emergency Medical Technician (EMT)
- Ambulance Crew Member
- Hospital ER Assistant
- Disaster Response Team Member

Campus

Delhi : B-20 New Ashok Nagar Near Rapid Rail station Delhi-110096

DPMI[®]
VOCATIONAL INSTITUTE
"Come Reach the Skies with us"

Diploma in Dental Technician

Shape Smiles with Precision & Skill!

Duration: 2 Years | Eligibility: 10+2

Why Choose DDT at DPMI?

High Demand: Growing need for skilled dental technicians in labs & clinics

Hands-on Training: Learn crown & bridge work, dentures, orthodontic appliances and more

Industry-Recognized Certification: Boost job opportunities in India & abroad

Quick Career Start: Short-duration course with excellent placement support

Course Highlights

- Dental Anatomy & Materials Science
- Crown & Bridge Fabrication
- Complete & Partial Denture Making
- Orthodontic Appliances (Braces, Retainers)
- CAD/CAM Basics (Digital Dentistry)
- Lab Safety & Infection Control
- Internship with Dental Clinics/Hospitals

Career Opportunities

- Dental Lab Technician
- Prosthetic Technician
- Orthodontic Technician
- Dental Equipment Sales Executive
- Dental Clinic Assistant

Campus

Delhi : B-20 New Ashok Nagar Near Rapid Rail station Delhi-110096

DPMI[®]
VOCATIONAL INSTITUTE
"Come Reach the Skies with us"

Diploma in Dialysis Technology

Empowering Healthcare Heroes in Renal Care

Duration: 2 Years | Eligibility: 10+2

Why Choose DDT at DPMI?

High Demand: Growing need for skilled dialysis technicians in hospitals & Dialysis

Hands-on Training: Practical sessions with modern dialysis equipment

Industry-Recognized Certification: Enhances employability in India & abroad

Short Duration: Complete the course quickly & start your career.

Course Highlights

- Basics of Renal Anatomy & Physiology
- Principles of Dialysis & Equipment Handling
- Patient Care & Infection Control
- Hemodialysis & Peritoneal Dialysis Procedures
- Real-world Internship & Placement Assistance

Career Opportunities

- Dialysis Technician
- Nephrology Assistant
- Dialysis Unit Supervisor
- Dialysis Attendants
